Sam Siave
(Marching Canterbury)

Sam is one of Marching Canterbury’s true treasures in our Competition Crew! He took on the role of Marshall a few seasons back and is still doing an amazing job for the Association today. He is always on hand to help set up the field and pack up at the end of the day, and is always fun to have around, a laugh a minute and a pleasure to work alongside. Keep up your fantastic work Sam, we all here in Canterbury appreciate everything you do for our sport.

Snippets from National Workshop feedback

Guest Speaker Pat Barwick
▷ I found this great, Pat was quite inspiring and was able to get us thinking about development across codes, also about the “thinking” of things.
▷ I really enjoyed Pat’s presentation - mainly coaching but I was able to break down and apply to judging in many occasions, some same principals apply, an inspiring presentation.
▷ Brilliant - Very enlightening
▷ Very interesting and constructive speaker; felt slightly too long.
▷ Better suited for coaches

Technical B (Other Comments)
➢ Want more info on training
➢ Felt like we just read through the book, and clarified action, wasn’t helpful

Display Session (Benefits)
✓ Felt like it was just an open forum, I didn't really learn anything
✓ Thoughts from other participants
✓ None - Discussed Judge Positions around the field
✓ Loved how collaboratively we can improve the judge sheets.
✓ Good discussions between coaches and judges
✓ Found out if patterns done well it goes down as presentation
✓ Liked that the facilitator allowed plenty of time for discussion and input from both coaches & judges.

Technical C (Other Comments)
✗ Feel going over headers was great, but too much debate - doesn't help new coaches.
✗ Better use of marchers or coaches up learning, needed much longer to cover more drills
✗ Maree was great at keeping the groups on track and kept calm and professional
✗ Too much discussion on Reg Pace

Kate Rhodes on Nutrition
🚚 Great Presentation and Practical Ideas
✓ It was good but I'm unsure how to put into practice when majority out of coaches control
✓ Some Interesting facts presented

Technical D (Recommendations)
▪ More demonstrations
▪ Not enough time
▪ More practical with a team, looking at movement structure team placement - how movements work Outdoor session with team
▪ A lot of good points however it felt like it was more for the coaches and it got repetitive
▪ Graham was great, Great Facilitator

Message from Marching Auckland, host Association of the 2020 NZ Championships.

MEASLES VACCINATIONS
A reminder to all Coaches, Managers & Teams to make sure their team members have been vaccinated against Measles. As they will all know it is very bad and not going away anytime soon, so please, ask the Parents of Team Members to make sure they are vaccinated.

The NZ Championships are being held in South Auckland, which has the biggest outbreak. It is now spreading to many other areas of Auckland as well. We certainly do not want to see anyone get infected after their visit to Auckland.
