

CHIEF JUDGE INCENTIVE

PROGRESS A TRAINEE JUDGE TO A QUALIFIED JUDGE (AND FULL MEMBERSHIP) AND RECEIVE A \$50 VOUCHER

The Chief Judge Incentive was introduced by the Board in May 2019.

For a Trainee Judge to progress through to Qualified Judge and commence their on-field Judging career is often restricted by lack of training and on-going support which is under the control of the Association Chief Judge. It was deemed in the interest of the Chief Judge to apply the training and support and progress the Trainee Judge.

How it works:

Association Chief Judges who, through applied training and ongoing support, progress a Trainee Judge to Qualified Judge status and full membership of Marching New Zealand will receive a \$50 Gift Voucher.

Note –

- Trainee Judges require Associate Membership and only when they are Qualified Judges do they need full membership.
- A pro-active and successful Association Chief Judge can receive more than one Gift Voucher

Share with your Association Chief Judges and follow the progress of Trainee Judges to becoming Qualified Judges.
