

## SHARED SUBSCRIPTION

### 'INTRODUCE A FRIEND' TO MARCHING AND RECEIVE 50% OF SUBSCRIPTION THE FOLLOWING YEAR

Shared Subscription is an initiative introduced by the Board to grow membership.

This season 29 members who introduced a friend under the shared subscription incentive last season with have 50% of their MNZ Membership fee refunded IF they and the friend they introduced both register for the coming season. 34 new members were introduced to Marching by these 29 members last season.

How it works;

Where an existing Marching NZ member introduces someone new in to the Sport of Marching, and that that person is a full paying member, Marching NZ, through the Association Membership Privacy Officers, refund 50% of their Marching NZ subscription in the following year.

This is to be conditional upon both the existing and new member renewing after one year. A full paying member is represented by way of an individual registration other than as an Associate Member, and the 50% discount is to apply to the type of membership paid in year one. A members' discount is limited to 50% only, regardless of the number of new members introduced.

Share with your Members, just another way to increase membership .... 'Introduce a friend' to marching.
