The minimum setting out requirements for the contest area are shown in Figure 1 below.

Figure 1 – Setting Out Requirements

Music

Quick Time	120 beats per minute
Slow Time	60 beats per minutes
Tolerance	2 beats either side of 120 beats per minute

Should it be established beyond doubt that the music is playing at a timing of less than 118 or more than 122 beats to the minute, the Chief Judge will signal the Marshal for the Team to be stopped. The Team will be returned to the Start either immediately or at a later stage in the programme at the sole discretion of the Chief Judge, who will arrange for Judges to start judging from the commencement with a new set of Sheets.

Duration

The duration of a Championship or Competition will be from the commencement of a meeting of the Secretary, Coaching Co-ordinator and Chief Judge with Team Coaches (and possibly Judges also), as determined on the Timetable of Events or other information forwarded to competing Teams in advance of the event, until the conclusion of the Presentation of Awards. However, in the case of aggregated Competitions, for other than the final of these competitions, the conclusion will be at the completion of the final grade/s march or Massed item according to the Timetable of Events or other information forwarded to competing Teams in advance of the event.

If a meeting as outlined above is not scheduled, then the commencement of a Championship or Competition will be from the start of the first phase by the first competing Team.

The Secretary may, upon application, release a Team or Team member, prior to the conclusion of a Championship or Competition

Championship / Competition Format

The Format for the running of a Championship / Competition will be set by the Conducting Authority. There are several formats that can be used and the setting of these is at the discretion of the Conducting Authority.

If an alternating Technical Drills / Display format is being used, the order of Teams shall be as follows:

- 1. Team 1 Review & Inspection - Quickstep / Compliments / Movements**
- 2. Team 2 Review & Inspection - Quickstep / Compliments / Movements**
- 3. Team 1 Display**
- 4. Team 3 Review & Inspection - Quickstep / Compliments / Movements**
- 5. Team 2 Display**
- 6. Team 4 Review & Inspection - Quickstep / Compliments / Movements**

(Continuing as necessary for the remainder of the draw)

The order of Teams may be adjusted as necessary to allow for Teams choosing to compete in either the Technical Drills or Display sections only.

The Conducting Authority should, whenever possible, confer with the Chief Judge when setting the programme of events to ascertain availability of Judges.

The Review & Inspection and Quickstep/Compliments/Movements phases will be known as the 'Technical Drills' section.

The Display is a separate section known as the 'Display' section.

False Starts

If four or more members are out of Tempo on completion of the whistle signal to the first movement, then the Team will be considered to have had a false start and shall be entitled to be returned to the Starting Discs to commence again.

Should the Marshal, Chief Judge or the Technical Drill C Judge notice four members or more are out of tempo, any one shall signal the fact by raising their arm above the head and where applicable will cease judging. The Chief Marshal shall bring the team to a halt but the music will not cease playing. However, should the Chief Marshal not be in a position to act as above then the Chief Judge shall halt the Team. The Team will then return to the Starting Discs without formality and take up position ready for another start by marking time on the Starting Discs, in tempo with the music, before the Marshal commands "TEAM / QUICK / MARCH" on successive left beats of music. The Team will execute a further beat of mark time with the right foot and then step out with the left foot.

Coaches should explain in detail, to their Team, the conditions governing false starts so that nervous tension as a result of a false start may be reduced to a minimum.

Re-Marches

If a Chaperon can see a team member in distress then they are entitled to move onto the Contest Area immediately and give assistance. This would normally only apply when a marcher cannot continue for example in the case of an asthma attack. The Team will be stopped and will re-march, when appropriate, with the Judges commencing to judge at the point where they had ceased judging previously. Should a re-march occur for a technical reason (e.g. music tempo outside limits) then judging shall start from the beginning of the Quickstep/Compliments/Movements phase.

If a Team stops for any reason, or is stopped by the Chief Judge during their march then one coach may move onto the field to assist the Team to move to the position as directed by the Chief Judge.

This does not apply to False Starts (see above detail).

Replacements

The numeric strength of Teams for Championship/Competition purposes is defined in the Competitive Requirements within each grade.

Teams can choose to march with at least four members (Introductory Grade only) or seven members (all other Grades) as per Criteria for Less than Ten Marchers detailed on page 4.

The following criteria will apply for replacements –

- i. The need for replacements should be communicated to the Chief Judge of the day and Association Coach at the commencement of the Championship/Competition and replacements may be made only with their combined approval.
- ii. Replacements approved must remain in their own Team's uniform.
- iii. Replacements should be obtained from a Team or Teams of equal or lesser standard than that of the Team requiring replacements.
- iv. If replacements are beyond two in number, the Team may be judged and points recorded, but the Team cannot win an award. The Chief Judge shall advise the Chief Recorder that the team is non-compliant and therefore ineligible for any awards.
- v. Members of Teams not competing at the Championship/Competition may be included as replacements provided that the foregoing conditions are complied with.

Replacements can be obtained for a Team member, ONLY in extreme emergency circumstances, and at the discretion of the Chief Judge of the day, in consultation with the Association Coach. Extreme emergency circumstances may include sudden health conditions, accident and bereavement.

All applications for 'extreme emergency' replacement marchers, must be notified by the Chief Judge of the day, to the Director of Judging with all relevant information, within 10 days of the event being held.

Extreme emergencies apply for seven days only.

Where a Team from any Association wishes to visit another Association for competition and take with them a replacement from their own or another Association, they should secure and produce to the Chief Judge of the Championship/Competition at which they are visiting, a certificate from the Chief Judge of their own Association stating that the replacement complies with the requirements dealing with Replacements.

Dispensations

Provision will be made in the conduct of Championships and Competitions for a waiver of the requirements that cannot be reasonably achieved by a marcher because of accident or health factors that would prevent participation on a fair and equitable basis.

Two dispensation categories are available for consideration as follows:

a. Dispensations for a Permanent Disability:

These are applicable to marchers who through reasons of birth, accident or acquisition have a permanent disability and are unable to execute drills as per requirements.

These dispensations cannot be requested on the day of a contest. Such dispensations of a permanent nature are to be applied for annually on registration (membership application) to the Director of Judging, supported by an original signed professional statement on official letterhead (e.g. medical practitioner for health factors) detailing specific effects of that factor. The following procedure will apply:

- **Application for a permanent dispensation is to be made in writing by the Team Coach to the Director of Coaching supported by the appropriate medical certificate/s and details as stated above.**
- **The Director of Coaching will consider the application and if in agreement, will forward to the Director of Judging.**
- **The Director of Judging will consider the application, taking into account any supporting documentation and either approve, decline, or request further clarification, advising the Team Coach appropriately.**

If the application is approved, the Team Coach will be provided with a copy of the letter of Approval from the Director of Judging, which is to be attached to the Team Card, where it will remain for the rest of that season.

The Team Coach will record on the Team Entry Form for each Championship and Competition that the permanent dispensation is attached to the Team Card. It will be the responsibility of the Team Coach to attach a note to the entry form, indicating the position of the marcher in the team, in respect of the relevant phases. Entry Forms to the New Zealand Championships must have attached a copy of the Dispensation Letter from the Director of Judging.

Conducting Championship and Competition Secretaries will notify the Chief Judge of the Day of such permanent dispensation. The Chief Judge of the Day will need to sight the letter of approval attached to the Team Card and notify the relevant Judges.

b. Emergency Dispensations:

The Chief Judge will be authorised to grant or decline a dispensation of an emergency nature in respect of a health factor that may arise within 14 days

prior to, during the course of, or at the commencement of a Championship or Competition.

Emergency dispensations must be accompanied by a medical certificate containing explanation as to the injury incurred and defined effects. Further clarification may be requested.

Emergency Dispensations can only be applied for once, unless (as in the case of a broken arm) a time-frame of healing is indicated by the medical practitioner.

The decision of the Chief Judge will be final.

Dispensations for a Permanent disability

These are applicable to marchers who through reasons of birth, accident or acquisition have a permanent disability and are unable to execute drills as per requirements. These dispensations cannot be requested on the day of a contest. Such dispensations of a permanent nature are to be applied for annually on registration (membership application) to the Director of Judging, supported by an original signed professional statement on official letterhead (eg; medical practitioner for health factors) detailing specific effects of that factor.

The following procedure will apply –

- Application for a permanent dispensation is to be made in writing by the Team Coach to the Director of Coaching supported by the appropriate medical certificate/s and details as stated above
- The Director of Coaching will consider the application and if in agreement, will forward to the Director of Judging
- The Director of Judging will consider the application, taking into account any supporting documentation and either approve, decline, or request further clarification, advising the Team Coach appropriately.

If the application is approved, the Team Coach will be provided with a copy of the letter of approval from the Director of Judging, which is to be attached to the Team Card, where it will remain for the rest of that season. The Team Coach will record on the Team Entry Form for each Championship and Competition that the permanent dispensation is attached to the Team Card.

It will be the responsibility of the Team Coach to attach a note to the entry form, indicating the position of the marcher in the team, in respect of the relevant phases. Entry Forms to the New Zealand Championship must have attached a copy of the Dispensation Letter from the Director of Judging.

Conducting Championship and Competition Secretaries will notify the Chief Judge of the Day of such permanent dispensation. The Chief Judge of the Day will need to sight the letter of approval attached to the Team Card and notify the relevant Judges.

Emergency Dispensations:

The Chief Judge will be authorised to grant or decline a dispensation of an emergency nature in respect of a health factor that may arise within 14 days prior to, during the course of, or at the commencement of a Championship or Competition.

Emergency dispensations must be accompanied by a medical certificate containing explanation as to the injury incurred and defined effects. Further clarification may be requested. Emergency Dispensations can only be applied for once, unless (as in the case of a broken arm) a time-frame of healing is indicated by the medical practitioner.

The decision of the Chief Judge will be final.

Mascots

Teams with a human mascot will only be permitted to parade the mascot during non-competitive aspects of an Association Championship or Competition with the authority of the Secretary (this will not be allowable in any case at New Zealand Championships).

Criteria for Less Than 10 Marchers

For Under 12, Under 16, Senior and Masters Grades teams may march with less than ten members, however, if they do so then the following must apply:

Seven Marchers - Leader and Nos 1 / 2 / 3 / 4 / 5 / 6

Eight, Nine or Ten Marchers - Any rear rank positions (Nos 7 / 8 / 9) may be filled

If teams do not comply with the positioning of marchers as above, then a maximum RAC12 penalty of 25 points will apply.

For Introductory grade – see Policies & Operations Manual (Technical) Section 8.

Team Number Performance Award**Review & Inspection**

Teams will be awarded two points per marcher over seven marchers competing in the phase

Quickstep/Compliments/Movements

Teams will be awarded one point per marcher per movement over seven marchers competing in the phase.

Discipline

Talking or counting aloud during any phase of the competition is not permissible. Upon the hearing of talking or counting a judge will penalise the team.

Judge/Coach Interviews – Local Competitions and Island Championships

Interviews may be held after the competition for clarification only and will be co-ordinated by the Association Chief Judge or Chief Judge of the Day.
